

# MSK Presentations

**Meet your presentation deadlines in style,  
on time and within budget**

**Create perfectly branded  
presentations using industry experts**

**Our team is made up of PowerPoint experts with experience from companies such as McKinsey, Credit Suisse and Merrill Lynch**

**We have extensive experience in producing top-quality presentations needing 100 per cent accuracy, where meeting branding guidelines are essential and tight deadlines are the norm**

**A company you can trust and form a business relationship you can call upon whenever it is needed.**

## **Our Services**

### **Bronze:**

**Our creative team creates slides from your template with content received as hand-drawn slides, images, Word or Excel files. We make a branded presentation the way you want it quickly.**

**From £30 per hour**

### **Silver:**

**We create theme and slide templates for your presentation documents and make a great looking presentation to your specifications. Supply us with text and graphics and allow us to enhance them so they impress the client.**

**From £50 per hour**

### **Gold:**

**Allow us to find your information and take an advisory role when designing your presentation. We can find information from your staff or public sources then design a branding concept reflecting your corporate style.**

**From £80 per hour**
